

Lorriann Ludwig

Lorriann is a former U of M Bison volleyball player where she was part of 2 CIS national gold medal and 3 bronze medal teams. She earned academic All Canadian honors in each year of her eligibility, was a three time All-Canadian and one time CIS player of the year. After her university career she played on the World Student Games team and was involved with the national team program for 2 years. She went on to play professionally for one season in France and 5 seasons in Germany. She lived with her husband and two children in Germany until 2009 when they returned to Winnipeg. She currently works at the Crisis Response Center.

In the past years, Lorriann has become more involved with coaching as her two boys (both Winman athletes) have also developed a love for the game of volleyball. She has been involved with the developmental program at Dakota Collegiate and last year assisted with one of the Winman U13 teams. For the past 3 seasons she has coached one of the grade 7 or grade 8 boys teams at Westgate Mennonite Collegiate.

She is very much looking forward to the challenge of coaching a WinMan club team and developing young athletes. She feels she owes a big part of her success to the solid fundamental coaching she received as a player and is looking forward to passing on that knowledge.
