

Sydney Loewen

Sydney is completing her Science degree at the University of Manitoba this year and is planning a career in dentistry.

Sydney played high school volleyball at St. Mary's Academy where she was named a conference all-star in 2014. She was named Athlete of the Year in both Grade 9 and Grade 12 at St. Mary's. Sydney has won a gold medal (2011), a silver medal (2012), and 2 bronze medals (2010, 2014) at the provincial club championships and was named a provincial all-star in 2012. Her club team won a bronze medal at nationals in 2010 and 2011.

Sydney has coached grade 8 girls at St. Mary's Academy and is currently an assistant coach with the junior varsity boys' volleyball team at St. Paul's High School. She has also coached at the club level (14U-15U) for the last 2 years.

Sydney played her 18U club year with Winman and is excited to be involved in the program again.
