

Amy Johnston

As a player, Amy started her volleyball journey at River East Collegiate where her team won the AAAA Provincial Championship in grades 10, 11 and 12 earning them a spot in the Manitoba Volleyball Hall of Fame. She continued to play in university while completing her Bachelor of Nursing degree, finishing her volleyball career as an All-Canadian and the University of Manitoba Female Athlete of the Year.

Amy is a Trained Level 1 Developmental Coach and is entering into her 3rd year of coaching with WinMan. She spent the summer as an assistant coach with the Manitoba Games program and is the head coach of the West Kildonan Collegiate Junior Varsity girls. She views coaching as an opportunity to enjoy the sport of volleyball through a different lens, while helping young players develop their skills and their love of the sport. Amy is looking forward to coaching alongside John Olfert for another season, this time with the 15U age group.

Outside of coaching, Amy works as a nurse in the surgery program at St. Boniface Hospital. She continues to play volleyball in the Women's, Coed, and Beach Leagues and serves on the Executive Board of the Winnipeg Women's Volleyball League.
