

Cami Vergie

Cami is a dedicated volleyball coach and teacher with a passion for developing young athletes. Since 2018, Cami has been assistant coaching the Junior Varsity girls at River East Collegiate, along with assistant coaching 13U-15U WinMan boys and girls teams.

In 2022, Cami assistant coached the Team Manitoba Boys White Program, which helped enrich her coaching knowledge and strategies. Cami has recently returned from two years of teaching abroad in England, where she became involved with coaching soccer, field hockey and basketball.

In her youth Cami played multiple sports (including many seasons as a WinMan athlete) and appreciates the value of being a multi-sport athlete. This year, Cami is head coaching the grade 7-8 girls at John Pritchard School, where she teaches in the early years program.

Cami places value in working on the fundamentals along with increasing confidence and fostering a love of volleyball in a positive, competitive environment.

Currently, Cami is working towards her NCCP Developmental Coach certification with the goal of further developing her coaching skills and knowledge. Cami is committed to continuous learning and hopes to instill a love of learning, competition and self-improvement in her students and athletes alike. Cami is an enthusiastic coach with a genuine love for volleyball and is looking forward to assistant coaching the 13U girls for WinMan this season!
