

Evan Biber

Evan Biber brings significant club volleyball experience and passion to his coaching role. As a former WinMan Volleyball club athlete (ages 14-18) and Manitoba High School athlete, Evan developed a strong foundation in the sport. In his Grade 12 season, Evan was recognized as a Volleyball Manitoba graduating all star.

Evan is currently competing in the Winnipeg Senior Men's Volleyball league as he stays connected to the game as an athlete while continuing to develop his coaching skills.

Evan's coaching experience includes serving as an assistant coach with WinMan 15U, the River East Collegiate JV team, and several Volleyball Manitoba Development programs. When not on the court or coaching, Evan is a student at the University of Winnipeg with aspirations to become a physiotherapist.

Returning to the WinMan family, Evan is looking forward to joining the other WinMan coaches in inspiring and guiding this year's WinMan 15U players to success, both on and off the court.
