Sherwin has been coaching volleyball since 2008, gaining extensive experience across various levels, including middle years, junior varsity, and varsity teams for both boys and girls. Over the years, he has served as a head and assistant coach, with highlights including coaching varsity girls at the provincial level, mentoring players who have gone on to compete at the collegiate level, and achieving championship wins at both the Tier 1 and Tier 2 levels.

As a PE teacher, Sherwin brings a holistic understanding of athletic development to his coaching. His high school coaching career has included roles at Kildonan East, West Kildonan, and currently at Maples Collegiate. These experiences have allowed him to work with a wide range of athletes, helping them develop their skills, cultivate a love for the sport, and thrive in a competitive yet positive team environment.

Outside of coaching, Sherwin has a passion for fostering dogs and working in rescue, finding joy in providing a safe and loving environment for animals in need. He also enjoys experimenting in the kitchen with his Air Fryer and InstaPot. He is continually learning how to make meals quicker and more efficient.

Looking ahead, Sherwin is excited for the 2025 club season and is eager in helping his team perform at their best. He is committed to helping players discover and refine their abilities to reach their full potential.
