

Talia McMurchy

Talia started playing club volleyball in grade 7 and developed a passion for the game. Talia grew up being in the setter position and would switch over to a left sided hitter during high school season. She played competitive club volleyball right up till grade 12 and has won multiple provincial and national championships throughout her career. Additionally, she was named a provincial MVP.

In the summertime, Talia dedicated her time to playing for Team Manitoba and was individually selected for the National Excellence Training Camp in Vancouver, where she trained with some of the best athletes across Canada.

Talia grew up in Oakbank and went to Springfield Collegiate Institute. She played and was the captain for the junior and varsity volleyball teams. Talia and her teammates won two Tier 2 KPAC championships.

Talia also brought home the Varsity Pairs Beach Volleyball Championship Banner for her high school in grade 11. Talia continues to play on a women's and coed beach volleyball team in her spare time and enters competitive indoor volleyball tournaments with friends. She looks forward to being a good role model for young girls coming into the sport.
