

Amy Johnston

Amy began her volleyball journey playing at River East Collegiate where her team won the AAAA Provincial Championship in grades 10, 11 and 12, later leading to the team's induction into the Manitoba Volleyball Hall of Fame. She continued to play in university while completing her Bachelor of Nursing degree, finishing her volleyball career as an All-Canadian and the University of Manitoba Female Athlete of the Year.

Amy is a Trained Development Coach and is looking forward to her 5th year coaching with WinMan. She views coaching as an opportunity to enjoy volleyball through a different lens, while helping players develop their skills, confidence, and their love of the sport. Additional coaching highlights include assistant coaching the Manitoba Summer Games team in 2024 and leading the West Kildonan Collegiate Junior Varsity girls' team to its first-ever AAAA provincials appearance in 2025.

Amy loves playing now as much as ever and rarely turns down an opportunity to do so. She continues to compete in the women's, coed, and beach volleyball leagues and serves on the Executive Board of the Winnipeg Women's Volleyball League. Outside of volleyball, Amy works as a nurse in the surgery program at St. Boniface Hospital.
